

## **ABOUT THIS BOOK**

There were Seven Church Ages. Seven earth-ly angels: messengers, or major apostles, one to each of these Ages. And being messengers, of course they each had a Message. And there were seven different and distinct Messages inspired to these seven men. We find them in Revelation Chapters 2 and 3. Illustrated by symbols, they were revealed to each messenger, by the Holy Spirit in God's time. These seven Messages were the 'the KEYS to the kingdom of heaven Jesus spoke of to Peter. And these keys were FAITH keys. This book presents discussions on these key's and offers one persons understanding.
