

ABOUT THIS BOOK

In the New Testament, Esau's decision to sell his birthright is utilized as an illustration of ungodliness—a “godless” person who will put worldly attractions over spiritual blessings (Hebrews 12:15-17). By his instructive example, Esau warns us to hold firm to what is truly valuable, even if it means rebuking the desires of the flesh. The Bible uses the account of Jacob and Esau to represent God's calling and election. God chose the younger Jacob to carry on the Abrahamic covenant.
