

ABOUT THIS BOOK

A young man's first real job, working as a Bell Hop during the day and as a Hip Hop DJ on the weekends, puts his entrepreneurial career in jeopardy when everyone he helps to their room winds up dead, the night before he goes on a 3 week tour. Unbeknownst to him he sees the murderer's leave the hotel rooms of each of victims before his shift is over.

Our Bell Hop leaves on tour the next morning as all hell breaks out in the hotel before lunch. The scandal behind the deaths reaches the office of one of the City's top politicians, as the killing spree leaves no social rung unshaved in its wake.

Police look for suspects and find none until the killer and the Bell Hop return; the Bell Hop for his vacation pay and the killer to tie up loose ends.

Now follow our Bell Hop once he returns with a new look on life, a new contract, and a new girlfriend who supports his dream and works hard with him to make them a reality. Until the killer offers her a deal she couldn't refuse. That's when the new girlfriend shows her true colors and begins to work quickly to find a way to guaranty her happiness and her new boy-friends death in the hotel where murder seems to come with the room service. Follow NYPD Det. Clifford M. Bailey as he unravels *the case of the Hip Hop Bell Hop "Witness of Death"*.
