

ABOUT THIS BOOK

FRAMED

When Meg Winfield meet and married Thomas Roth she believed she had meet her soul mate. But when she found herself planning and plotting to rid herself of the only stumbling block left in her life to wealth and financial freedom those thoughts of love and cherish forever quickly disappeared.

Meg's stumbling block could have been dealt with in a number of ways however the typical method of choice, for those who think and plan short range is usually murder. But Meg knew that for those who realize that all murder plans typically fall short in one way or the other she began to plan a little further ahead than that of the moment she actually reach her goal.

But planning for Meg is an art form, and she never fails to make detailed plans that have been thoroughly thought through to the bitter end.

Unfortunately for some, this time her plan had one flaw that would result in an outcome worst then life as a hater or a blocker. Keep reading to find out the true meaning of getting exactly what you asked for.
