

ABOUT THIS BOOK

Finally Marshal Bailey gets the recognition he deserves, he is accepted into the Marshal Supervisor Training School and is preparing to relocate to Phoenix Arizona for a 90 day training. Typically, once you have been accepted and complete the Marshal's Supervisory Training program you are immediately promoted to the position of Supervising Marshal and given a team of 6 to 36 marshals to manage in a major or small city. The next step is Regional Director the position Harry's father achieved before he retired.

But as life would have it Harry has one more case to clear before he can leave next month and this one is personal. If you saw the movie "ERASER", you know the U.S. Marshal Service has the most talented IDENTITY THIEVES on earth; now read how local underground labor Criminal Masterminds have taken I.D. thief to the next level in "CLEAN SLATE".
