

ABOUT THIS BOOK

This is a dual purpose effort. First to provide a single source for Christians to find a well rounded understanding of the 12 Men who gave up everything to follow Christ when no one knew who he was. And second to provide a refreshing and thought provoking literary piece that demonstrates race does not matter to God those who follow him may be of any race or ethnicity, all he ask is that you believe in him and everything else will fall into place as he has planned.

This book takes a long look at the disciples who were standing in Jesus presence. Can you name one of the disciples whose life literally embodied our saviors last words?
