

ABOUT THIS BOOK

This study guide is a non-scholarly research guide to understanding the Book of Revelation in the King James Version of the Holy Bible.

The Reader should note that this Study Guide includes the actual text from the Book of Revelation in the King James version as well as a several opinionated yet formal discussions and commentary's surrounding the basis for this particular biblical prophesy.

The decision to include any of the articles was based purely on the thinking behind the article and not necessarily any truth they may offer or expose.

Only those called to the office of Prophet or anointed with the gift of prophesy maybe considered truthful and worthy of consideration. That side we believe this study guide does provide at the very least a interesting informational base.
