

## ABOUT THIS BOOK

This book is a trilogy of the trials and tribulations one man encounters as a game show contestant on his journey to win.

Win what is the question that plagues him throughout his life's journey.

But unbeknownst to him there is a reason why he makes the decisions he does and travels the road he is on.

As the reader a part of that reason might be familiar to you.

Find out here in the story of "The Contestant".
