

ABOUT THIS BOOK

This book is designed as a resource guide for Christian Bible study and discussion only it is not to be considered the final word or even an authority on the subject matter.

The question of what am I made of and what does it mean that I am made in the image of God needs to be understood before deeper study of the religion can be sought.

The first thing we as Christians learn in the Bible is that man was created in the image of God. Here we attempt to present current thinking on the matter based on actual Biblical references in the simplest form.
