

ABOUT THIS BOOK

About this book, LARAZUS Rebooted 2026 By Dr. Larry Montgomery, Sr. is about A dead client caught alive on camera. A false heir with no childhood. A legendary attorney preparing to inherit his own fortune.

Disgraced investigator Joyce Vance has one last chance to prove Lazarus Kane's miracle settlements are built on staged losses, vanished witnesses, and deaths designed to look unrelated. The reward: \$25 million. The risk: becoming the next impossible claim.

Lazarus—The Worksheet is a gripping legal and insurance thriller where every locked room hides a route—and every grave hides a balance sheet. Available on AMAZON and at www.theauthorscorner.online Get your copy today.
