

ABOUT THIS BOOK

THE ISAIAH EFFECT

This is a mystery thriller you will never forget. Newborns are precious and we all do everything we can to protect them. But when a happy couple makes their way home just after the birth of their first child an unbelievable tragedy strikes.

The following pages account the life of a new age prophet society has longed for, for ages.

In them you will read the modern-day journey of the first human lie detector. Follow Detective Isaiah Thomas as he solves two of the most challenging serial murderer cases of our times.

The twist here is that one of the serial killers is no stranger to Det. Thomas and this one wouldn't go down easy.
