

ABOUT THIS BOOK

The Minas is the 3rd in this 12-volume series of the Parables of Life. This case is drawn from the Biblical parable of the talons or in this case the Minas. Marshal Bailey is drawn into an joint agency investigation of a powerful global corporate executive who traveled abroad to take control of the assets of a major foreign corporate conglomerate leaving his 3 chief Vice President's in charge of running his business.

While he was away, his 3 Vice Presidents, who were left to run his company, found themselves the subjects of a human trafficking and money laundering investigation.

Working under cover Marshal Bailey's Chief Assistant Investigator, became caught up in the fraud and was forced to hide her involvement at all cost. Once the tirade of Vice Presidents realized how close Marshal Bailey and his team were, they attempted to eliminate the primary whistle blower which led to their exposure and arrest narrowly averting the corporate owner becoming a suspect as well in their racketeering and murder plot.
